

Goshen Township – Calculate Foundation Pricing

All foundations require a 3" border around all sides of the headstone.

Example 1:

Headstone size: 18" x 12"

Foundations size: 3" + 18" + 3" = 24"

3" + 12" + 3" = 18"

24" x 18" = 432 sq.in. divided by 144 = 3 sq. ft. x \$50.00/sqft. = \$150.00
which is below the minimum charge, so pay \$225.00

Example 2:

Headstone size: 46" x 12"

Foundations size: 3" + 46" + 3" = 52"

3" + 12" + 3" = 18"

52" x 18" = 864 sq.in. divided by 144 = 6.5 sq. ft. x \$50.00/sqft. = \$325.00

Note: 144 sq.in. = 1 sq.ft.
