Goshen Ruritans have asked to have the tractor pull track crowned prior to winter. Trustees approved Matt to do this job at his convenience after the roads are chip & sealed.

The cemetery grant is nearly complete. Teresa, Matt, and Tom will get this submitted before the deadline of August 14th.

Trustees reviewed the final Solid Waste Management plan. McCracken moved, seconded by Stratton, to approve and send to Lou Vega. All voted YES.
The repairs to the gymnasium roof were discussed. One quote from Allied Commercial Roofing Services, LTD was received. This will seal off the window and areas where birds are entering the building. Quote was for $3,275.00. The owner is a township resident, approved for OSHA specs, and has done work on the police wing roof. Moved by McCracken, seconded by Spencer, to hire Allied for quoted work. All voted YES.

Matt has purchased materials to build the new fair display and will be working on that display this and next week. Trustees agreed to purchase GREEN paint to paint the board.

Bob noted that the county has announced roads that will be paved in the township:
- Western Reserve from Duck Creek to Huxley Road
- Middletown Road from S.R. 14 to S.R. 534.
- Pine Lake Road from Smith-Goshen to S.R. 534
- Pine Lake Road from Goshen Road to S.R. 45

The Heidi Owen property in Garfield that was to be signed over to Goshen Township has erroneously been put on the Sheriff Sale list for October 1st, due to the Prosecutor’s writeup. If it doesn’t sell at Sheriff’s sale, it will go to the State of Ohio, then to the Mahoning Land Bank, and then will be transferred to Goshen Township. Resolution 2019-0708 will remain on HOLD until then.

Public nuisance properties were discussed. There is nothing new to report on the old properties. Bob suggested we begin proceedings on the Meissner Garage property in Damascus. Teresa will take pictures and try to discuss with Mr. Sonny Meissner.

Regarding the OPWC grant on Smith-Goshen Road, Bob will be adding the ditch draining quote from Sweet Meadow Farm Drainage ($29,393) to the grant request. Motion by Stratton, seconded by Spencer, to authorize Trustee Chairman McCracken to prepare and submit the OPWC grant. Stratton – YES, Spencer – YES, McCracken – Abstain. Motion passed. The Fiscal Officer will certify that there will be $78,303.00 available in 2020 for the township’s amount of matching funds.

Matt Springer estimates the $1200 will be needed for materials to install a new ditch in Damascus, between the brick alley off French Street to Fourth St. To date, five families are interested in connecting on to this new drain and are willing to contribute to the cost.

Bob cannot commit to the Prosecutor’s training session on Wed. August 14th due to being called for jury duty that week. Tom declined but will try for a second training session at a later date that can be attended with Bob.
